### Thank someone:

All winners of a WAVE award (not Merit winners) will have the option of ordering a beautiful free-standing award. The WAVE logo and year will automatically be engraved on the award. Shipping is included in the fee.

You have your choice of any four lines of type (we have made suggestions as to what those might be). Please complete the lines in the order that you would like to see them engraved on your award. This is a great way to thank someone who helped with your project.
